

Myriad masterpieces

These exquisite creations have lasting appeal for jewellery lovers

Baerjewels' Lovebirds in natural South Sea and Tahitian Keshi pearls are set in 18K white gold with diamonds.

Habib Jewels' Tiara of Spring is crafted with 37-carat diamonds, 19-carat pink sapphires and 119-carat aquamarine. Habib is a leading jewellery brand in Malaysia.

Madame Butterfly's Jade Lotus ring symbolises prosperity and honour.

Staurino's Cuore Farfalla is a nature-inspired piece from the brand that is known for its refined elegance and quality craftsmanship.

Elegance Club's Fleur-de-lis is a full diamond tiara inspired by nature's flora. This creation weighs 750g with a total of 44.84-carat diamonds.

Except for Roosette Jewels which is exhibiting at the Jewel Salon, the rest of the pieces on this page are exhibiting at the couture galleries.

Intermix Gems' Imperial Glory emerald and diamond brooch is now part of the brand's private collection.

Hellmuth's Croco Jewellery features an elegant pattern of crocodile skin interpreted in gold and juxtaposed with diamonds and precious stones.

Roosette Jewels' Regal Rose ring is an intricately designed masterpiece that holds court among rose cut diamonds.

Frank & Co.'s Dazzling Classic bracelet boasts an ensemble of 36 diamond pieces. Frank & Co. is Indonesia's leading jewellery brand.

Cherie Thum's Expose Collection are versatile pieces that can be transformed from day wear to glamorous evening eye-catchers.

YEWN's Joie de Vivre Goldfish Collection ring is decorated with black and white diamonds that form the goldfish's scales.

Sebastian Ee is a noted Asian artist in the global floral industry. As the founder of the Floral Designer Society of Singapore, Sebastian has been invited to showcase his artistic flair both locally and internationally. Sought after by leading designer fashion houses and top event companies, Sebastian has not only built his reputation as a brilliant designer, but also his creative instincts in combining the unexpected elements to create his trademark masterpieces.

On the cover: Flowers used are Pseudotaxiphyllum Elegans and Calathea Makoyana
